Information on the payer

In accordance with the Regulation (EC) 1781/2006, and pursuant to the special recommendation of FATF VII, transfers of funds must be accompanied by complete information on the payer.

Execution of Clean Payment Orders

The order cannot be revoked, once a payment order has been effected or the beneficiary has been advised – even if a request to this effect is received prior to the value date indicated in the instructions – unless the beneficiary is in agreement. This applies to transfers in DKK and in other currencies. Customer transfers with a valid account number allocated to field 59 (Beneficiary Customer) will, as a general rule, be executed to the credit of that account without any checking of its compliance with the customer name provided in that field. Reference is made to the BIC Directory, General Information Section.

The beneficiary's account is with Sydbank:

Payments are physically effected on the day of receipt or on the following business day, value one business day after the value date stated in the payment order.

Terms and Conditions for Foreign Banks April 2008

The beneficiary's account is with a third bank:

A. Payments < DKK 375,000 and < EUR 50,000 with valid IBAN or BBAN.

The amount will be settled through the Danish clearing system on the value date stated in the payment order. The amount will be credited to the beneficiary's account on the following business day and according to normal practice value same day.

B. All other payments:

Payments may physically be effected before value date and third bank's account will be credited value one business day after the value date stated. The beneficiary will normally be credited value two business days after the value date stated in the payment order.

Cut-off Time (DK-Time)

- Bank-to-bank	12.00 am
- Cancellation of bank-to-bank transfer	8.00 am on the value date
- Customer transfer in DKK, USD, GBP, CAD and EUR	2.00 pm
- Other currencies	4.00 pm one business day prior to the value date

Payments received after cut-off time will be effected on a best effort basis.
