Information on remitter

In accordance with Regulation (EC) 1781/2006, and pursuant to the special recommendation of FATF VII, transfers of funds must be accompanied by complete information on the remitter.

Execution of Clean Payment Orders

The order cannot be revoked, once a payment order has been effected or the beneficiary has been advised – even if a request to this effect is received prior to the value date indicated in the instructions – unless the beneficiary is in agreement. This applies to transfers in DKK and in other currencies. Customer transfers with a valid account number allocated to field 59 (Beneficiary Customer) will, as a rule, be executed to the credit of that account without any checking of its compliance with the customer name provided in that field. Reference is made to the BIC Directory, General Information Section.

Value Dating

The beneficiary's account is with Sydbank:

Payments received from EU-countries (PSD) in

- DKK and EUR, regardless of the fact that a currency conversion will take place
- EU-currencies to accounts in same currencies

will be credited to the beneficiary's account with the same value as stated in the payment order.

All other payments will be credited to the beneficiary's account with value one business day after the date stated in the payment order.

The beneficiary's account is with a third bank:

A. PSD DKK Payments < DKK 5,000,000

The amount will be settled through the Danish clearing system on the value date stated in the payment order. The amount will be credited to the beneficiary's account on the following business day with value same day.

PSD DKK payments > DKK 5,000,000 and all PSD EUR payments

The amount will be credited to the payment service provider of the beneficiary on the value date stated in the payment order. The amount will be credited to the beneficiary's account with value same day.

B. PSD payments in other currencies than EUR and DKK

The amount will be credited to the payment service provider of the beneficiary on the value date stated in the payment order. The amount will be credited to the beneficiary's account with value same day or with value on the following business day.

C. All other payments:

Payments will be credited to the payment service provider of the beneficiary value one business day after the value date stated in the payment order. The beneficiary will normally be credited value two business days after the value date stated in the payment order.
